“ Sorry for your loss. Ava I want to let you know how much I loved your mama (my Aunt). I miss her dearly. I will miss my visits with her, and all the times she would wave at me from the front porch. So glad that I was able to help you with her on many occasions. You and Ronnie have done a wonderful job taking care of her, and I know that y'all will miss her immensely. I'll never forget the times that she was there for me when I needed someone. She was a special Aunt to me. She will suffer no more.
