We are so sorry for your loss. Ginny was a great friend and neighbor and we always enjoyed seeing and talking with her and Tony in the neighborhood. She was always happy and upbeat and just loved living here in SC - so different from NY! She especially loved the birds and other wildlife that she got to see in her own back yard! I loved that about her! She will be missed but we know she is no longer in pain and that her suffering is over. Love and prayers to her family! 🙏❤️🌹

I will miss my dear sister friend I've known a lifetime. My bridesmaid and Godmother of my son David a loving and wonderful person. No one could be like her.

She is now in heaven with the Lord and will see all of friends and family who have gone before her. All her pain is now over and she is meeting my dear husband Ronnie and having a great time talking and going over old times together. I'll always love you virginia and someday we will all be together. My deepest sympathy to her loving husband Tony and her sister, Linda.
