“ I dont even know where to begin,.....Ginger was the most determined ,hard working,clean freak,lovin , stubborn, strong willed wonderful woman, friend and co worker I have ever known.Ginger never faked it, she said what she felt and was always herself and that is one quality that many people dont have that I love. I loved Ginger like my own mother.....at one time I wished she would be. I will never forget her and I will miss her dearly. I love you

“ Richard + Family- My thoughts and prayers go out to you all during this difficult time.I worked with Ginger for many years at NSH in Northampton.We shared many laughs, adventures and memories throughout the years!I always considered her a close friend. Over the years, we drifted apart and I last saw her years ago when she came back to the area to visit. I've often thought of her since then. So shocked to hear of her passing. Sending my deepest sympathy to all....Shirley##imported-begin##Shirley (Matusiewicz) Wohlander##imported-end##
