“ Clinton, We just can not get you off of our minds and hearts. Viston was so precious. We had a good talk at our School Reunion when we had it at Bill & Judy's. She was so pretty. But we reall had good times at Murrells Inlet at the fish house. Also at Garden City Baptist Church. We loved to go there when we were down there. The Lord will lift you and your lovely family. No one knows and better than you, just call and lean on him. He is always there for us. And we are so glad he is. We will be getting in touch. We Love you very much.##imported-begin##Tommy & JeaterForrest##imported-end##

“ My Dear friend David, Reverend Dave,so many of us share with you this moment of loss of your most cherished Viston. Your fifty full and eventful years together must contain countless blessings and moments of joy. I know how you must miss her, even while knowing that Viston has gone on to that "Better Place" that is God's care. May your pain be lessened by the outpourings of love coming to you and Viston from God and those of us still earth bound, and yet still in God's hands. My prayers will be with you always. Gentle Viston will be missed but her presence will always be felt in our little chapel. Gerald Osborne##imported-begin##Gerald Osborne##imported-end##

“ Our Dear David, We know that you know...the words we try to offer for comfort are insufficient and the feelings we try to share are incapable of reaching around and lifting the grief...The Lord your God, however, always has been, is, and always will be your sufficiency and capability. Especially today! Know too, that our love and prayers go with you and your family. “ David, words cannot begin to ease the sorrows of your loss, however, please know that you are in the prayers of so many who care. On the occasions we met Vista, we were struck by her kindness and the friendly manner that she exuded. She will be missed! We are asking the Lord to surround you with His love and by His presence fill you with His peace. Even though she is gone, her spirit is alive and she will be with you every day of your life. How thankful we are for the assurance of a Heavenly TFC reunion; a reuniting that will allow us to live forever with Christ! “ David. How I wish that you had my shoulder to weep on. My heart is with you during this very difficult time. I'm so glad that I got to meet Viston at Camp Hebron many years ago. I always appreciated your love and concern for me, as I had for both of you. I'm thankful that she is no longer suffering and that she is alive and well and looking forward to being together with you again! I know this is a comfort to you, but I also know that missing her so much is very painful. I'll stay in touch with you, Dave, and will remember you before the Lord. Love you.
