“ I met Ms. Vivian many, many years ago when on Clemson Extension committees. She was so gracious to a newcomer to the South. Taught me a lot about Conway and Horry County. I'm sorry I didn't know about her passing until today. We were friends on FB, but I'm not as active on there as I used to be. My condolences to all of the family. she was a bright star in our neighborhood!

“ My sincere condolences to the children, grandchildren, sister, extended family of Vivian Chestnut. I did not know of her passing until August 7 th. I had just mentioned her name to someone today. She was an amazing woman that took care of her family and loved them and Conway dearly. She took her citizenship seriously and worked hard to preserve the small community of Conway. Vivian had a magnetic personality that never met a stranger. I will always remember Vivian with the most beautiful head of white hair I had ever seen. She will be missed by many.

“ *Paula and Marley:
Please know how sorry I am for your loss. Mothers/grandmothers are such anchors in our lives. And Ms Vivian was special! From my time as a title examiner, I learned more about B&C history from Mr Booth and Ms Vivian than I ever could have gleaned from the stacks of Deed Books in the Courthouse. On Conway City Council she and Mrs Webb had the town covered. Not afraid to take a stand because Conway mattered! All her other accomplishments were gravy covering a well lived life. Thank you for sharing her with us.
