“ I just heard of Walter's death on 11/9/2021. I offer my deeeppest sympathy and most sincerest condolences to his family. We were in the same High School Class, and he was my neighbor when we were in 10-12 grades. I enjoyed the times we spent together those years, in the band and playing ball. We communicated with each even more over the past 6 years, since our last High School Class Ruinion, and got together for lunch when he would come to Lower Burrell to visit. He was a good friend. I will miss him greatly, and hope to see him again someday.

“ A few years ago while coaching girls travel volleyball for Myrtle Beach Elite during the tournament the girls were getting frustrated with themselves so Coach Walter called a timeout and as the girls huddled in to hear what he had to say he did a little dance to get them to laugh to forget the errors they were making and to go out there and have fun. Another time when he wasn't coaching my daughter he didn't have a tournament he took the ride with me n my daughter to support and cheer on her team. He will truly be missed on and off the court. Walter has touched so many lives
