“ Walt and my brother John worked at Trenton. John went to West Windsor PD in 75. I came to Trenton in 77, and one of the first guys to talk to me was Walt. I never forget what he said. Hey kid, you John's brother. I said yes and Walt said don't worry about anything, I got your back. He always did, and always asked about John. Walt never forgot what it meant to be a cop as he went up in rank, always looking out for his brothers. Our prayers are with you##imported-begin##Bob & John Hencken##imported-end##

“ Barb, Sam and Mary, I never had met a man like Walt and have never since. The pleasure was mine. I don't know if Walt ever realized how many lives he touched. Many good officers would not have made the grade if not for the mentoring of my brother Walt. I always felt that we were in control when Walt was around. It's a sad time for our correctional family and I will always remember the "Big Cop " who took me under his wing many many years ago in 7-Wing. A great man and friend.I will always be in his debt.##imported-begin##Bobby Johnson##imported-end##
