“ Uncle Junior, Thank you for all the great summers we spent with you and aunt Joanne. You always let us help. And you helped teach us to be young men in that process. You taught us so many things. How to make a fire, how to drive the tractor, help in the garden and feed the animals to setting around the TV eating popscicles at night. Thank you for all the great memories. (God Bless Uncle Junior)

“ *Uncle Junior (Walter Cooper) was a strong, confident man, intelligent, and kind. He helped many people in his lifetime. He was tactful and gave sound advice. Uncle Junior told me once, " Judy if someone tries to give you money, take it !"*
My husband, Vern and I are very grateful for being close to him all these years. We will see him again.
