“ To the Tarcza Family: We would like to express our condolences on the passing of Walt. He was a great man! Our fondest memory of Walt is from the year when our son, Dan, was 3 years old (he's 26 now!). We visited Jean and Walt and other close friends at the Tarcza capsite in Myrtle Beach. Walt took Dan out into the waves, and Dan had a ball...and so did Walt! We also remember great times at Crystal Lanes. I (Joni) was friends with Ann in high school, and we're still acquaintances, seeing each other from time to time. Our son, Matt, went to middle school with Gary, and they played basketball together on the NSB Tigers! I (Joni) also got to know Steven and Kristi when they attended West High and I worked in the library. What talented, and intelligent kids! We've had a close tie with the Tarcza generations, and want you to know how much we've enjoyed Walt and Jean, and the rest of the Tarcza family! May God bless you all, and remember...Walt is in Heaven with God, and he has finally met Jesus face to face. What an awesome place to be! God Bless the Tarcza Family!##imported-begin##Joe and Joni Fenderson, and sons Dan and Matt##imported-end##

“ Dear Jean and Family, I was sorry to hear of Walt's passing, and his not being around is so unlike what one expected of him. He was always reliable, dependable, and cooperative, and was always in demand to be a member of any project team. He was always the rock on any team he was on, in or out of work. I was priveleged to know and work with him. You and your family will be in our prayers. Ted Kozlowski###imported-begin###Ted Kozlowski###imported-end###
