“ Dear Annette, Renee and Shannon, I was so sorry and saddened to hear of Walter's passing. I just wanted to tell you how much he meant to me in my earlier years. As a visitor to Jamestown Baptist, to see his smiling face and have him greet me and make me feel welcome, and any other time I would see him. He always had such a cheerful demeanor and was such a hard worker. I have such memories of driving past your "new" home I've been gone for over 26 years! and seeing him out working in the yard, making everything beautiful. He really loved you three, his lovely girls. Renee, I'll never forget your graduation, with your mom in the hospital having Shannon and he with his injuries, going in an ambulance to be able to see you graduate. I know the past years have been very difficult for you with his illness and hope there is comfort in knowing he is completely healed and with our Savior. He has left behind a wonderful legacy and I am a better person for having known him. You all will be in my prayers as you begin this new chapter of life without him. Fondly, Paula Vaught###imported-begin##Paula Vaught Adams###imported-end##

“ Dear Mrs. Annette, Renee, and Shannon, My heart goes out to all of you at this time of loss and grief. It still is hard to believe that Mama isn't just down the road or a phone call away. I know she welcomed Mr. Walter into heaven with a smile and a great big hug...you know Mama, she loved him, as well as you all, so much. We have such wonderful memories that are so special, and know that someday soon we'll be with them again. Keep the faith and know that you are all in my thoughts and prayers. I love you. Love & Prayers,

“ Annette, Shannon and Renee, We rejoice with you that Mr. Walter's suffering is over and he has gone on to his well-deserved rewards; yet, I do know from losing my own father after a long illness the void that you will feel during this difficult time. I am praying that God will give you the strength and peace that you will need to get through the adjustment period and I'm sure He will. When you get down-in-the-dumps, just think of what a wonderful time Mr. Walter is having with Lord now. No more nursing homes, illnesses, or anything but joy! You will all continue to be in our thoughts and prayers. If we can help in any way, please let us. We Love You, Phyllis and Dubbie Odle##imported-begin##Phyllis Odle##imported-end##
