“ To The Family of Mr. Walter Richard Kahl I would like to express my deepest sympathy to each of you. Although we are not acquainted with one another, we are acquainted with the pain when our loved ones fall asleep in death. Jesus taught us to pray for God's Kingdom to come here upon the earth as it is in the heavens. The fact that the the heavens is peaceful, no sickness, death, etc. is surely a place where we would like to be. So when we pray for these conditions to come on the earth, we are asking God to restore the earth back to its original condition when he created the first Man and Woman. That Kingdom will be a reality here on the earth. The Scriptures promises that the day is soon to come in which death will be no more and that Almighty God Jehovah will wipe away the tears of sorrow from our eyes forever. He promises too that your loved ones, my loved ones and many others will hear his voice and come out of the memorial tombs graves to live in heaven-like conditions right here on the earth.##imported-begin##Annette Pegues##imported-end##

“ Dear Opi, You have no idea how much you will be missed! Men like you are few and far between, and I know that everyone who has had the privilege of knowing you feels the same way. Courtney loves you so much, and over the years I know all of her friends came to see you through her eyes, and we all love you too. Don't worry, we will take care of her and I know she will take care of the rest of your family, just like you took care of them. I know they can't wait until they see you again. “ Dear Opi, It was such a honor to have met you all those years ago. You are truly one amazing person, especially putting up with all those rugrats you call grandchildren! Even though you were always a bit quiet whenever I was around, you were probably just listening to everyones conversations and watching us making fools of ourselves, especially me and Aunt Hiedi's conversations! There was never a dull moment when we were all together. I know you were Courtney's main man and now you can be her guardian angel as well. My thoughts and prayers are with you Opi. Take care up there.##imported-begin##Chris Chris##imported-end##
