“ We know you are now at peace, old friend! Will miss you very much as one of our favorite neighbors in Captains Cove. Will always remember those Thursday nite potlucks we shared together at the clubhouse. Bon Voyage'.##imported-begin##David R. Miller##imported-end##

“ I enjoyed being your neighbor and the flowers and plants we shared miss your Shepard Pie and mash potatoes you made. I wished you would have called after we saw each other at Wal-mart and you told me about Dick; I know you were in pain at that time and asked you to give us a call so we could help but I guess you had too much on your mind. Well you are in a better place you can walk and maybe run where you were having such a hard time with your knees. I'm glad God took you home before the pain of cancer got too great. We loved you.
