Thank you for the sweetest years of my life, and the two greatest kids on the planet...See you in 'mansions of glory'...##imported-begin##Pat Miers##imported-end##

“ Saddened by the news of a school mates death. Davis was a couple of years behing me in high school, but since he played and loved basketball and I was a cheerleader, we shared many long rides on the team bus. I remember him as happy go lucky nothing got him down, serious with whatever task was at hand, and enjoying life to its fullest. Davis will be missed by many people. He will live on in our hearts and memories.##imported-begin##Joyce Rockwell##imported-end##

“ My warmest thoughts and prayers are with the numerous friends, loved ones and family members. To be sure, Davis was my best friend and the memories of all the great times together will never be forgotten. Davis meant the world to me and he had a big impact on my life. Obviously, we had a lot of fun playing basketball together high school and college. There are many other fond memories, many of which I would never be able to share with his mother! The Miers are family to me and I love them dearly. I will pray for you frequently. True friendship multiplies the good in life and divides its evils. Strive to have friends, for life without friends is like life on a desert island?.to find one real friend in a lifetime is good fortune; to keep him is a blessing. -Baltasar Gracian##imported-begin##Tim, Melody, Brandon, Ashleigh and Townsend Money\$##imported-end##
