“ *Farewell Warren. You are one of my special friends. You always had a laugh and giggle during our visits. I know that you are now with your parents and your track & field coach who you always talked about. I'll be looking for that Portuguese beer, always made with just the best hops and water, not any of that stuff they put in American beer. May our Good Lord welcome you into your well deserved heavenly home. Your Friend, Larry##imported-begin##Larry Stengel##imported-end##*
