“ Little Waylon was my first Great Grandchild. He was beautiful! I was showered with pictures of this beautiful baby boy! He was so loved by all of us. Then the shock that he was no longer with us was the hardest of news to hear. My heart broke for my Granddaughter Mariya, my Daughter Angie, Coby and Dave. No one should ever have to lose a baby. Life is not supposed to be that way. During his short time here he was loved sooo much, and you could see the love he received given right back in that adorable little face. He knew he was loved! We don't always understand God's plan, but I know that we will all be together again one day. Although I didn't get the chance to hold him here on earth, we will all be reunited in heaven. Now as hard as it will be, we will begin to heal one day at a time, because little Waylon would want us to share those smiles he loved to see, because those smiles were full of love, and he would want his family to be happy in his loving memories. ❤️💕

“ *Little Waylon was my first Great Grandchild. He was so beautiful! I was so looking forward to seeing him in person. I was showered with pictures of his beautiful face and eyes showing all the love he was given in his too short of a time with all those who loved him. My heart aches for my Granddaughter Mariya, my daughter Angela, and Coby, and Dave. Nobody should ever have to lose a baby! However I know that he felt all the love he so generously received, and returned it right back to those who loved him! We sometimes don't understand God's grand plan, but I know one day we will all be together again. Now day by day we begin to heal because he would want us to share smiles again! He was such a beautiful baby boy, and I loved him so much even if from afar!*
