“ To Dorie and the rest of Wayne's family-- This is very sad news. I was out of the country from 29 Feb to 16 March and received the news this morning. Wayne was a great friend and a great leader. “ Wayne was truly the rock. Whenever he talked to you about something you could always take it as fact. He was my neighbor and friend and the feel of the neighborhood will not be the same without seeing that orange jumpsuit. It was an honor to know you.

“ *Davis Family, sending deepest sympathy for the void that now resides in each of your hearts. May the void be filled with the many special memories that you each have shared with Wayne throughout the years and may each memory continue to grow sweeter as time goes by.*

I'm very thankful for having shared meals with the Davis family during our visits to S.C., always enjoying the warmth and love expressed by Wayne, Dorie and the multitude that would show up for a family gathering and meal!! We would love to be with you this week as you celebrate a life well lived and filled to the brim with blessings, but schedules do not permit us. One can't read about Wayne's service to his country and family without feeling a sense of pride, gratitude and honor. I know those traits will continue to be developed in the Davis families for years to come because of the foundation that Wayne and Dorie built. May God bless and comfort each of you.

“ I served with Col. Davis in the 353rd Tactical Fighter Sq. in Myrtle Beach, SC from early 1972 until my discharge in Feb. 1973. Even though I was an enlisted man, Col. Davis never treated me with anything but respect. He treated all the airmen and NCO's the same way and that respect was returned to him. I remember the time my parents vacationed at the New Jersey shore. They sent me a box of chocolate covered salt water taffy. I put the box on my desk so all could share. Col. Davis loved the candy. Days later I was busy typing reports and I noticed he kept walking past my desk. I asked him if I could help him with anything. He grinned and asked "Any more of that taffy left?". He was a good and decent man and I am sorry to hear of his passing. Yours was a life well-lived, Col. Davis. Rest in peace.

“ I served with Wayne in the 511th TFS and the 353rd TFS at Myrtle Beach from July 1970 till June 1972 when I moved to the 4554th TFRS. He was our Asst. Operations Officer under Brownie Howard and Squadron Commander Bill Lloyd. He was a great American, fighter pilot but most importantly, a true friend. When I was the Squadron Commander of the 61st TFTS at MacDill AFB, FL, his son went through our F-16 training program. He will be missed by so many people whose lives he touched, RIP Colonel, you have earned it. Save a cold one for me as I will join you once again, at the Officers Club Bar, in a few years!!!

“ My deepest sympathy goes out to all the Davis Family. I had the privileged of working with Col Davis at the FBO. We had a great time working together. He made working at the FBO a pleasure. It was always great to see his smiling face and the fiery red butch haircut/ It was almost my privileged of knowing him and respected him. I never had a problem calling him either Wayne or Col Davis. He was that type of Officer. Col Davis will surely be missed by all the knew him both during and after his military service.

“ I've known Mr. Wayne since I was a little girl. He started as a customer at my families computer shop. He quickly became much more than a customer; he was a friend.

He'd bring us donuts and always make sure to have a couple with sprinkles for my daughters. I'll miss your doughnut deliveries. I'll miss your loud hello's from across the shop. I'll miss your amazing war stories you share with my Dad. I'll miss your hugs goodbye and the kiss on the cheek.

Thank you for you Mr. Wayne. Thank you Dorie and family for sharing him with all of us. I'm sorry for your loss. I bet he's up there with a beautiful glass full of the best Scotch you can get. Save some for us!

“ *My deepest sympathy goes out to the entire Davis family. I came to know Colonel Davis as I was one of the many Crew Chiefs that serviced, repaired and strapped him in his aircraft and readied it for flight here at Myrtle Beach AFB and on Temporary Duty. He was a professional in all that he did. He treated his maintainers with respect and dignity. He will always be remembered as a great man, mentor and as stated in his obituary a Hero. May his soul and the souls of all the faithful departed, through the mercy of God, rest in peace.*
