“ Dear Aunt Sarah, Cheri, and Cathy,

I have thought about you all often. I know you miss Uncle Wayne very much. It is hard to let go even after a period of time. There are precious and wonderful memories that you can hold on to forever though and the promise of one day seeing him again.

I love the memories I have of him. He loved playing cards and games and some of what I know I learned from him.

The Lord bless you all and comfort you.

“ Cheri and Cathy,

I was saddened to hear that Wayne recently passed away. I haven't seen Wayne in probably 10 years, but I have many special memories of him from the time I was young and would visit in Andrews for the summer. Years later when I was in college he invited me to stay at his beach property any time I wanted. He was very generous - I took him up on that once! I know he loved you both more than anything. We will all miss him.

*Sincerely,
Mark Yow*

“ Dear Wheeler family,
Please accept our heart felt condolences, in the loss of Mr. Wayne. I had the pleasure of tasting his most excellent Chicken 'Perlow' (I am going to spell it like it sounds 😊) He prepared it for our family, when our Daddy passed. He was a very kind and thoughtful gentleman.
Sincerely,

“ My husband, Wayne, and I thought so much of Wayne. He was a wonderful neighbor at the beach. He was always willing to help in any way that he could. Martha was such a wonderful neighbor too and we will all miss him so much. My husband died two years ago but I will always remember our good neighbor. Dolores Howell
