“ Carol and Donna I just read Miss Bettys email and I am so sorry to hear about ya's brothers in law. I wont be able to attend the funeral but my thoughts and prayers will be with ya and the rest of the family. I want to pass this on to ya after my mom died a friend told me to remember that she was not in any more pain and the she knew I loved her. This helped me get through some long and empty days. Hope it helps ya a little also. Love, Betty##imported-begin##betty bazemore##imported-end##

“ Lee, Casey and family, Please know how very saddened I am over the loss of your father. Having lost my Daddy too, I can share in your grief. Always hold your memories dear and close to your heart and share those wonderful memories with the boys to keep that same memory alive in them. You are in my thoughts and prayers during this time. May God hold you all close and give you comfort during this time. All my love.##imported-begin##Diana Johnson Saults##imported-end##
