“ Dear Jeffrey, Baylee and Nick,  
*Marion and I are so very sad about Wendy's passing. She was a true classic beauty not only physically but with her love of family and friends. Know that you are in our thoughts and we will think of Wendy with only kindness and fond memories. Remember you guys tailgating with us at Clemson football home games and also attending away games. One in particular stands out for me when we met in Maryland for game and you guys had been on vacation in DC and were so glad to be with friends. It was a cold, rainy, and snowy game but we had a great time.. Another time we were in Jacksonville for a bowl game and it was so foggy we could not even see the field for most of the game. But as usual, had a great time with all the Clemson gang. With our love and support, Evelyn and Marion*
