“ Mr. Frankie and Ms. Pam- My thoughts and prayers are with you during this difficult time. Whitney always brought sunshine to those she encountered with her bubbly personality and carefree spirit. I have many special memories of her and will miss her very much! I don't know Brewer personally but I know Whitney loved him deeply. I am sure he possesses her sweet spirit. Cherish him always and constantly remind him how special she was and how much she loved him. It is my prayer that God will strengthen you and comfort you now and in the days ahead.

“ I am sorry to read of Whitney passing. May you find comfort in the love and memories shared together as a family. It is my hope that you will also find comfort in knowing that God is near during this sad and difficult time for Psalm 34:18 tells us God is close to the brokenhearted; He saves those crushed in spirit. May this scripture bring you peace.

“ I'm sorry I did not know Whitney personally but she was truly a beautiful soul... We don't always understand the reason why everything happens.... But everything happens for a reason... Now she walks in the house of The Lord, she is an angel watching down on you all.... Be strong for her and the ones around her that can't be.... She is counting on you for that.... You are all in my prayers, I wish comfort, peace and strength for each and every one of you..... And Thursday at her services don't mourn.... Rejoice and celebrate who she is.... Who she was.... Who she will always be.
