“ Wilbur (Bill) Feick will be missed by not only myself, but all who knew him. I only became acquainted with him when he came home from the hospital and I would go over to his home and make sure that he ate. And see if there was anything I could do for him. I also would go down to the Lakes of Litchfield to visit him and would take my dog Jake to visit him. Jake would sit on his lap so he could scratch him. Jake misses him already. Please accept my deepest sympathy to the family.##imported-begin##Ruth Schwartz##imported-end##
