“ I am so sorry to hear about Uncle Wilbur's passing. Last person I seen was Uncle Marion a few years back. I don't know if anyone remembers me but my mom was Jane Garland. My name is Jennifer Kelly Freeman. I know this is not the place to reach out but I don't know how to get in contact with any of the family and would really like too. If anyone reads this my email is kelly1495@hotmail.com.

“ Today, Will flashed into my mind. Google brought me here.

I taught with him, during my ten years at Clayton Junior College in the 70s. His sense of humor made many frustrated days bearable, as we navigated a hostile administrative environment. I was fresh out of the military and university teaching, and he helped to smooth my rough edges. His students loved his teaching style, his openness to questions, and himself as a person. He was the source of my most repeated statements to students: "You couldn't bother me, if you tried.", "I will answer that as many times as you need me to, plus one.", and "Don't work for money."

I will miss him, on quite a few levels.

“ Great man, great professor! Always humble and nice. He had a sharp wit about him that I remember to this day. Sad to hear of his passing. He will be missed by all that had the opportunity to know him. May God bless his family and comfort them with the fact his was a life well lived in service to others.

“ Audrey, Jeff, Missy and family,
It was such a shock to hear of Will's passing. He was truly one of the best. I was blessed by our friendship over the years. Will helped me greatly during my years at Coastal. I loved seeing you when Mary Lou would arrange dinners during my visits back to Horry County. My memory of our gathering last year will be more precious now. My love and prayers will be with you.

“ It was with sadness I learned of Mr. Garland's passing. As a "returning student" I was blessed to have Mr. Garland and the many other great professors at USC Coastal Carolina (and Coastal Carolina University) assist me in every way possible to achieve a long-delayed goal. I pray God's comfort and peace for each member of his family in this difficult time. God Bless. Peggy J Jones

“ *I was very fortunate to have spent the majority of my work-life working along side Will Garland in the College of Business at Coastal Carolina University. I came to Coastal in 1973, one year before Will. I was chair of the division of business administration (as it was known at that time), and helped recruit Will to Coastal. We saw the business program transition from a two-year extension of USC to offering an MBA degree. We saw Coastal grow from a two-year extension of USC to an independent state university offering graduates degrees. Will played a major role in these transition. He also contributed in many other ways to the development of Coastal. I have so many wonderful memories of these exciting times Will loved his family, was extremely smart yet humble, was passionate about his work and was highly respected by his colleagues.*

Audrey, Jeff, and Missy, my thoughts and prayers are with you. As you know, I thought the world of Will and have always counted him as one of my dearest friends.

Will was one of the first people I met when I joined the faculty at Coastal Carolina University (then, USC-Coastal Carolina College) in 1985. I had a temporary office that Summer across from Will and got to know him fairly well. Over the years, he was a good friend and neighbor, and was instrumental in Coastal's growth in several key roles in the University. I am sad to hear of his passing and am thinking of Audrey, Jeff and Missy.

“ Audrey and Family,
I share my deepest sympathy in your loss. Will added such joy to so

“ So sorry to hear about Mr. Garland’s passing. He was an encourager to me during his years on the school board. Melissa is such a good person and teacher (enjoyed our time together working at Aynor Elementary School) and it spoke volumes to see Jeffrey follow his father’s footsteps into board service. When I went to work as the Supt in Spartanburg 2 (Boiling Springs) 15 years ago, Will made a point to converse with me several times about the transition and the area. Loved seeing him at SCSBA meetings. May the Lord bless you in the days to come....
