“ For Bud's family and loved ones, I am a friend of Karen from Seacoast Church in Greenville, so I did not know Bud personally. But Karen informed me and our small group of Bud's illness, providing frequent updates on his condition. Through my many thoughts and prayers for him and for the whole family over the past weeks, I do feel a connection and am saddened by your great loss. My deepest condolences to all who loved Bud. I will continue to keep the family in warm thoughts, and prayers that the Holy Spirit will hold you all close with the comfort only He can give.
