“ *I was sadden when I learned that Bill had passed. My thoughts and prayers go out to Maridel and to all the family. I worked with Bill at both Potomac River Works and Potomac River Development Laboratory over an 18 year period that I was transferred in and out of Potomac River. Bill was a great person to work with, an honest, kind, dedicated employee, a friend and someone you could always count on to produce excellent results in whatever task he undertook. We had an excellent relationship and I will always remember the fond memories of both he and Maridel. Phil Fearnow*
