“ I too enjoyed working in the same area as Bill prior to his retirement from AVX. He had more action than he cared for, I'm sure, since his office was across from the kitchen at work. He named me the "Kitchen Queen" since he felt I was bossy enough to make everyone keep the area clean! He was well entertained by Kathryn and me, as we always had such crazy ideas for what we felt should be done at AVX. Bill was a fine man and he will be sorely missed. I pray for your comfort in the days ahead.##imported-begin##Beth Bourne##imported-end##
