My memories of uncle Paul go way back to my childhood. I remember his visits when I was at my grandma's house. He always seemed excited to see me and would often put his conversations with adults on hold just to spend a few moments talking with me. On one particular visit when I was about 5 years old, I showed him I could whistle like a quail. He seemed absolutely delighted! From that day forward (until I was in my 20's) he called me "Bobwhite". God thank you for the years that we were blessed to have uncle Paul.

“ Sarah and family, You all are in our prayers. Sorry for your lost, but you know where he is now. He was a good man. He and all of his brothers were good neighbors and always tried to help everyone they could. I knew most all of them. God bless your family during this time of hurt. Sincerely, Al and Eloise Dusenbury.

“ It saddens my heart at the loss of another one of our elder Beverly's. Uncle Paul was a great man, just as his brothers that passed before him. He was strong willed and lived by that everyday, and true to his beliefs, and keep his "spunk" all the way till a few days before turning 90. What an awesome life of memories, good and bad, that he had. I'm sure he has been welcomed with open arms and greeted by not only his wife but both of his sons, and all of his earthly family as they rejoice in the reunion that I'm sure is taking place. To his remaining daughters, I wish for comfort from our Lord to be handed down to you both. These times of grief should be handed over to him to help you both along the way. I am here for you if you need anything, and am proud to have been kin to him and you both.

“ I wish I could've said goodbye to dear Uncle Paul!! Thoughts and my condolences go out to the family!! It will be the little things that you will remember... the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things, that help to push away the pain and bring the smiles back again.
