“ I remember oyster roasts, Christmas. Bill was never cross and could put some oysters away. He quickly became my cousin-in-law..

“ Please take comfort in the knowledge that God has made a provision for those lost to us in death. The Bible says, "this is the will of my Father, that everyone who recognizes the Son and exercise faith in him should have life, and I will resurrect him on the last day,"(John 6:40). Jesus gives us hope in the fact that one day our dead loved ones will be brought back to life. So while we greive now for those lost in death, the best is yet to come!

“ Carole, Sarah, and Family,
I am so sorry for the loss of your loving brother. Bill was a special guy! He has fought the long hard fight with such valor and is now rejoicing in heaven with no pain. Amen! He was a Senior when I was a Sophomore in high school, and the guys in the class of '73 were so unique and memorable! I'm sure there are many of us who share fond memories of time spent with this class. I believe there is a "special reunion" with Bill of the sweet souls who have gone before him! May we be reminded of all the good that Bill contributed to the lives of many while he was here on earth. Blessings to your family, and I will continue to keep you and his loved ones in my prayers.
