“ Bill was a friend. He built and lived in my house, with his wife, son, dog, and cat. I'm grief stricken. God has His reason. Maybe it's for us to live and take this Covid 19 seriously and speak up to let others know. My prayers go out to Renee and the family, along with all his friends and colleagues who will miss him. I'm crying as I write this.

“ Bill, will always be remembered as kind, light hearted and with a sense of humor like no other! I will miss the emojis we shared when our sports teams won or lost. 😞. Especially the one with New England bus running over a Raven... priceless. We are heartbroken 💔, with tears in our eyes. But remembering the twinkle in your eyes when you smiled that made everything seem ok, no matter what, was a blessing. Rest in Heaven.... Peace and Prayers to Renee, your family and friends.

“ *I worked with Bill for several years at Lennar. He was such a nice guy and so funny too! He' would be real quiet and then come out with a zinger to make you laugh out loud! He will be missed by all who knew him. My prayers are with his family.*

“ *I got the pleasure of growing up with Renee at church. When she started bringing Bill, it seemed to be love at first sight with them. Bill, you were a caring friend and a pleasure to be around (as quiet as you were). I know you will continue to look down on Renee and your kids and smile and laugh. You will be greatly missed by ALL! Much love to you ALL! Valerie & Robert Bentley*

“ *The kids favorite times with you was shared with you in your home. How you would just play and talk with them...especially when you all played on Google home or playing with your fur babies together. Your gift of love was instilled in my family's heart through how we saw you and Renée love.*

So blessed that Christ United retreat connected our family's.

“ Dear Renee and Family,
As a lifelong friend of Bruce Roberts, he(Bruce) holds many many fond memories of Bruce and Billy. Most recently, not only our wonderful boat rides down the Intercoastal in Myrtle Beach, but his fresh fish dinners and the “ Fantasy Football “ that the guys like so much hold a special spot in our hearts. Our visits over the last 6 years have always included visits with you and your family that were always so fun! Lynk the little grandson brought a smile to all our faces, the virtual reality walking through various spaces with headphones, and of course just time to hang out and visit!

Billy always spoke like he enjoyed working for Lanar Homes and were were so happy about his promotion! He spoke highly of You and family and you truly have created a wonderful one at that! ❤️ He truly, and sincerely will be missed by all! We know he is being taken care of by God now! Our deepest condolences to you and yours! 🙏 Bruce and Sheryl 💜💜
