“ Ruth..... We are so saddened to hear about Bill's death. For some
reason, we just found out. We have so many fond memories of him
at Coke parties, with his infectious laugh and ready smile. We hope
you can feel some measure of comfort in knowing he is at peace
and pain-free, and is with your granddaughter, and they are
laughing and smiling together now. We know your pain is immense,
but God does give us comfort in His word, assuring us we will be
together again in Heaven.##imported-begin##Ray and Billie Ann

“ I pray that God will comfort you in your loss. I, too, will miss my friend, which he so generously allowed me to call him. I am grateful to have known him - even for a short while. I will treasure the memory of his beautiful smile, his razor sharp wit, his zest for life, his gentle spirit, and his infinite capacity to love. Rarely do you meet someone so good and kind and faithful to God. He is truly unforgettable.##imported-begin##Judy Goff##imported-end##

“ Was sorry to read about Bill's death today. I have such fond memories of Bill while being a neighbor and working with him at coca-cola during the summers. He was always kind and willing to help. I also remember him working with me and the other pre-teen boys in the RA program at Conway First Baptist Church. But, my fondest memory of Bill was the day he gave me a small puppy that I named "Happy". I had Happy for many years and he was truly the best dog that I've ever had. Like Happy,Bill was a true friend and will be missed.##imported-begin##Don Pridgen##imported-end##
