“ Your dad and mother were always so welcoming and inviting at your home in Rockville. They purchased a WWF match and had everyone over! Many good times swimming and sleep overs. Together now! I will miss my STEELER fan 🙏

“ "Mr. Bill" was a wonderful man to know! He was our next door neighbor when we had a beach house and was so watchful and helpful. But the best thing was that he was a good friend. There was sometimes "talk" about the Carolina Panthers and the Pittsburgh Steelers! It was always enjoyable to see his surprise when we would grill and take him a steak too! His was the first Christmas card we would receive each holiday season. Not only will we miss his Christmas card, we will just miss knowing "Mr. Bill."

“ Bill, you came into my life when you married my sister some 69 years ago. We have done a lot of fun things together over the year; cruises, vacations, reunions, casinos, Atlantic City, Las Vegas, Reno, Lake Tahoe and many, many weekends playing cards. You will be missed and I am left with the many memories we created over the years.  
Your favorite sister-in-law, Bernice.

“ How blessed our family has been to have 'Mr. Bill' as our neighbor at the beach for over 20 years. He was a great friend and helpful neighbor. We will miss seeing him on his daily walk, discussing Atlanta Braves baseball and NFL, and the concern that he showed to our family. We know Bill is fully engaged in his renewal with his beloved Pat. What a blessing Bill and Pat were to us.

“ *Bill was a quiet, soft spoken, easy going individual...come to think of it quite unlike some of the other gregarious Schrock family members. I only wish I had made more of an effort to get to know him even better.*

“ I remember how very proud of Bill my mother was. Her little brother; he was 12 years younger, was so very smart, determined, and good looking. I can see her down at the cabin as she wiped dish soap off her hands saying, "Now, Bill," and smiling at something he'd said. Bill laughed and they'd exchange a look.
