“ Hello Ann, Kathleen, Bill and other family members,

*We have not had the pleasure of seeing Bill and all of you in recent years. Your move and our subsequent move have made that difficult. We were so sad to learn of Bill's passing. We know he had a rough time recently and he is in a better place.*

*Please know that all of his and your friends at DeBordieu remember him with a great deal of love. He was a giant among us, not just in stature but in his wonderful heart that went out to everyone he knew. We will miss him and you can be comforted in your memories of a great husband, father, grand and great grand father.*

“ Hey lotty, lotty, lotty...  
Hey lotty, lotty, low...

*My brother Bill runs a still on the hill  
Where he turns out a gallon or two  
And the buzzards in the sky get so drunk they can not fly  
Just from sniffing that good old mountain dew.*

*Love you Uncle Bill.*
