“ Uncle Eddie was one of the kindest ppl I know and he was very old fashioned, I remember when I was maybe 6 years old, he and Aunt Rita came for a visit. He loved to play with me and was teaching me how to blow bubbles with gum, I was courteous about whistling and tried it. He told me , No girls do not whistle and I better never hear you do that. To this day, I remember that but occasionally will let out a whistle. He will be missed.
