Bill was born on May 16, 1942 in Anderson, SC to the late William Thomas Chapman and Frances Sanders Chapman. He graduated from Boys High in Anderson SC in 1960 and Wake Forest University in 1964 with a BA in History. He was also a member of Pi Kappa Alpha fraternity at Wake Forest. After college, he served in the Army Reserve during the Vietnam War and then he went to work for the family business, Tom Chapman Tire Service, where he earned his lifelong knowledge of the tire business.

Bill married the love of his life, Susan Stogner of Conway, SC in 1968 and welcomed four children, William "Chip" Albert Chapman II (deceased), Harriette Cooper Chapman of Little River, SC, Clifton Alexander "Clif" Chapman (Brandy Vereen) of Conway, SC and William Thomas "Tab" Chapman (Michelle O'Brien) of Conway, SC. “ My favorite memory was at Clifs dock on the River and Tab and Michelle and Brandy and I are there. Think maybe kids in river on flat float. I just missed Susan we're all talking everyone's having a beer. And Bill spontaneously jump in river clothes and all! He always surprise yah now and then!
Remember the succession party at Megget We would be prepping for the party and getting the island ready and Bill with scoot around on those bike four wheeler like thing with his dog Abigail I think!,by his side back-and-forth all over the place. He was a busy bee! He always said that he loved Megget and the island out there. As well as Baldhead island and the many fun times with his family. More than anything loved his dogs and he would besure I got them their meds even if it meant going through that burger place drive through . To get hot dogs to put max pills in! I know he will be missed. My heart breaks for the Whole Chapman family. I thank Susan for the opportunity to work with and to get to know Bill and the kids and grandkids that feel like my family! ❤️🌸
My deepest sympathy!❤️

“ Chappy was a good friend and Classmate in High School. We used to play our Baritone Ukeleles together. While in High School, I remember making a trip with Chappy to Duke, under the auspices of his seeing his Brother, Booth, and my seeing my sister, Anne; as well as “looking at Duke. Neither of us had any intention of eventually going toDuke, but it was a chance for us to miss a couple days of school, and get out of town. I doubt that either of us could have gone to Duke, even if we could have picked the locks. Chappy ended up going to Wake, and I went to The Citadel. He was a great guy. May he Rest In Peace. See you on the other side, my friend.

“ As next door neighbors in Anderson, Bill always kept an eye open for when we might need new tires! And I would remind him where he could have a mole removed! I loved him dearly and he would remind me that it was time to make him a lemon pie from Jerry's mom's recipe. Susan, hope you and yours find comfort in knowing how many of us are sending love, Gill

I met Bill at the AACA Trade Show in Philadelphia many years ago. I became a customer and we spoke of many things at different times. Viewing his obit I learned that he was a Brother of mine in Pi Kappa Alpha, the same age, and also an Army Reserve Veteran. Many unfinished things yet to talk about. You will be missed!
