“ Like Callie, I also remember those boat rides in that beautiful boat that Billy cared for so meticulously. Those are among the hundreds of memories of times Billy and I had over the years—months during summers at Crescent Beach with Ted and Lurline; scores of great times at the Cabin; dozens of dives into Black Creek looking for golf balls at the bottom of the creek; hundreds of trips to and from St. John’s in Billy’s jeep or my A Model on school days with our buddy Ann Trammell—Billy virtually always with a smile on his face. He will certainly be deeply missed by his family and by his many friends. My thoughts and love are with all of his family during this sad time.

“ I will never forget the beautiful, fast, wooden boat and the wonderful times that Billy and Bryant took for a ride

All my love to those who are so sad at this time. ---- Callie
