“ *I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*

“ We were surprised to hear about Bill's passing. Many good memories of being neighbors back in Lanham, Maryland. I was also so happy to have run into them in Annapolis not so long ago. I know Bill will be missed by his family and friends. With our heartfelt sympathy, Jo Ann & Cal Rich

“ I have no words for the family. We haven't seen any of you in such a long time and it still feels like yesterday sitting at the fields with you watching Billy and Kristy and all the kids play ball. We have missed you thru the years. Bill was such a honest man and one of the best dads around. All the memories will be so fun to talk about. I will have to go thru the old pictures and put them on here of him and the kids. I think lil Billy and Randy wouldn't think it was so funny as their tummys were the hit of the pictures. Bill may you find peace and rest and watch what this crazy world is going to do with out you. Vicky missed you so much. We wil always remember , Roger and Marcia Long.

“ R.I.P Mr Davis. You were a fixture in my life growing up and playing ball with Billy. You will be missed deeply by many. My thoughts and prayers are with the family. I will take the memories we shared together at all the baseball games and tournaments and the nights I spent at your house as a kid and you putting up with me and billy acting like fools. Rest easy Mr. Davis.

“ *We will always remember Mr Davis' unwavering support for all of us at our baseball games. You could always count on him being there for every game with his cigar and his quiet confidence.*

*He also possessed an unmatched mechanical knowledge, as I still believe his suspension bridge holds the record for managing the most weight at DeMatha. Let's face it... We would not have finished second place overall without his "help."*

*He was truly a wonderful man and he will be forever missed.*

*Forever in our hearts and thoughts.

*Many years ago your Dad and I used to talk about how many summers we had left. It seemed like a long time back then, but it passed too quick. So sorry for your family. I know he will be greatly missed by all of you.*
