“ I know that Edsel will be missed. He was a special person. I worked for New South in Camden for ten years and met him during that time. I went on the road as a salesman about eight years ago and had many memorable visits and calls with him since that time. Edsel's sort of dry humor always cracked me up. He always gave me a hard time but it was in fun and he always was good to me. I will miss him.##imported-begin##Phil Marsh##imported-end##

“ Buddy I will miss you so much, you was our solid rock, We watched you suffer and it broke our hearts, but God called you home and our lives will never be the same. There will never be another Edsel, Keep a watch over us and hold us a place beside you in heaven. There will always be a vacant spot where you were.
