“ Dear Scott: I have just learned of your dad's death and was sorry to hear it. I was an insurance examiner with the Florida Insurance Department, and worked with your dad several times. He was a very good man and I always enjoyed being with him, and many fond memories. He was the same age as my dad when he died. A friend down here told me something I'd like to pass on to you; you don't ever get over it, you just sorta get used to it. All the best to you and yours, Spencer Cullen in Tallahassee

Scott, my thoughts and prayers go out to you and your family. Johnny was such a dear friend and Johnny Mills cherished his friendship as well. I know they're having a big laugh and lots of stories to tell! I can hear them now. I guess Dixie will be doing the cooking! Please know how much I care. Margarett Mills
