“ *Mary....
I'm shocked to just now hear of this news.
It's very late. Very sorry for the lost of such a great man. My fondest memories of Bill, as our trip to Belgium on a mission trip to print out biblical literature. Never knew anybody from Danville, Iowa, but really got to meet some of the greatest people I know and love.

“ *So sad to see this. We had a lot of fun building swimming pools back in the 70's, didn't we "Ace"? And there wasn't a car you couldn't take apart or rebuild. I still remember when you taught me how to fix brakes, and other mechanical car stuff. It was a pleasure to have known you. RIP Until we meet again. 💔😭*

“ A wonderful person, a great friend, devoted Christian. And gosh could he cook a meal! I always got nervous when I cooked him a meal. But he was always gracious and complementary. He could be so funny. I often think about some of the things he said and it makes me laugh. He and Mary treated me like I was family. Gone much too soon! He is going to be greatly missed but never forgotten. Love and prayers to Mary, George, Helen and all his family and friends.

Bill Fortin was an awesome man taken way too soon but God must have needed him more than we did...always enjoyed times with Bill and Mary and was a little nervous when preparing a meal for him knowing his history of cooking...but he was very nice with compliments...we're all gonna miss this fun man - RIP Bill you may be physically gone but NEVER FORGOTTEN!
