“ *Bert, Dawn and I just heard of Bills passing. We missed it in the Lancaster paper but just found out. We were so glad that you and Bill had found each other and were able to have the time you shared. Even if the time we spent was short with you both it was always quality. Please if ever you need us we are there for you. We both believe that Bill is the lucky one for he now walks hand and hand with Gods only Son. “ Bill always had a smile on his face, he was so kind and caring and always volunteering to help me with my many projects. I gained a lot of fix-it knowledge from him because I was always determined to do it myself first. I will never forget you Bill and I'll keep a close eye on Bert for you.

With Love, your neighbor Beverly
