“ I had the honor of assisting Bill in coaching girls' softball in the Conway Recreation Department for several years. Not only did we get to coach our daughters, but we also got to coach many other young ladies that have grown into wonderful adults. It was during this time that our friendship grew. As fellow Gamecocks we tailgated together with several others for many, many years. We even tailgated in my backyard for several away games over time. What wonderful memories!

Bill was one of the finest people I have ever known. An unselfish man willing to help anyone at any time. Not many of those left in these selfish times. He will be missed by many for a long, long time. Rest in peace, Bill!

“ Mr. Bill was our Accountant and Friend. He was never too busy to sit & catch up. There was a day when he quietly challenged me to think bigger, & let go of bitterness & depression over a 2 major tragedies my husband & I suffered. He was a plain-spoken man with a keen eye on justice, & kindness in his heart. He was also a fellow USC Gamecock fan!! And, he was prepared for his Heavenly Home-going & didn't mind sharing the many things God has done for him. Prayers for his family & loved ones during this time of loss. - Mr. & Mrs. M. Harrelson

“ Our thoughts and prayers are with Erika and the family. Bill LOVED the game of baseball. It brought him a lot of joy, and he invested a lot of his life in young people through the game. I had the pleasure of having him as a classmate. C/o 1965, Conway High school.
