“ Dear Betty and Family, We are the parents of Tony Brenner, a member of the Goldwing Motorcycle Club. He has spoken so highly of you and Henry, as your friendship with him grew over the years. We have met you on quite a few occasions during our trips to Myrtle Beach, and having also made reservations through Surfside Realty. We were very pleased to have been able to see you and Henry this past summer at Surfside Jenny's in happier days. Henry, you, and your family have been in our prayers ever since we learned about his illness. We will continue to pray that God will keep all of you in His loving care, and bring you comfort in the days ahead. We are so very sorry for your loss. May God Bless you all. “ Betty and Family, I grew up with Charles and was often at Charles' home. I don't remember a whole lot about Henry.. he was 6 yrs older than Charles and I but I always liked Henry. He always treated me with respect even though I was just his little brothers friend. He and his friend drove us to Rainbow lake to go swimming a couple of times and I just remember all of us having a blast! We are sorry for your loss and have been and will continue to pray for you and your family.##imported-begin##Jack Cothran & Family##imported-end##
