“ *Matt, Sue, Pat, Bill and families,*

*Just got a call from Ken Zunic and he had read about your Dad and gave me a call. Sorry to hear about your loss, my sincere condolences concerning your father. I know it is an emotional and difficult time. My dad just passed on 05/25/2017 in New York and he had been doing fine and age just unfortunately caught up with him. I had several enjoyable conversations with your Dad while I worked at the Galley. He was a kind man and a real gentleman. Just though I would sent you a note, hope all is well with all of you and your families. I know I missed Matt when he was on a hunt in Colorado while I was commuting to Nevada running a pool company I owned at the time in the 90's, sold that and got back to Colorado to be with Kim and being around to see our children grow up. Again sorry for your loss of you Dad.*
