“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ So many memories of Billy! We had some great times back in the day! He always seemed happy when I saw him over the years, of course it was his nature. His family was a blessing to him in his extended time of need and you will be rewarded. I just found out tonight and my prayers are for you, his family...Billy is just fine!

*Sorry I put this in the wrong place 1st. Hope this is right*

“ Dear Jamison Family...Billy was my Daddy's (Lloyd Hinson) roommate at The Manor for 5 years. We lost Daddy nearly 2 years ago and I have had a difficult time going back to The Manor, especially going in Billy's room knowing that Daddy is no longer there. I am so sorry that I didn't get back before Billy passed. While visiting Daddy, we adopted Billy as family and had so many laughs. He was a mess! Billy and Daddy were 2 of a kind and were good for each other. What we took for Daddy, we took for Billy. He couldn't remember my name so I told him my name was Puddin' Tain. He remembered that! I remember that he cried when Daddy was taken to the hospital and was so happy when he returned. They liked the same tv shows for the most part. Billy always asked if Beverly Hillbillies was coming on that night. I know he is missed at the Manor and that he will be missed by family. We will miss him too. God bless all who have hurting hearts. Roseann Dudney...Billy's Puddin!
