“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##
