“ Marjorie, Russell, Kristi & family: My condolences to you and yours! I was saddened when I read that Horace had passed. But then I thought, absent from the body present with the Lord! What a consolation for the entire family! He will be missed by all those that had the privilege of knowing him. May God grant you the peace that passes all understanding in the coming days ahead. It has been one year since Marshall went to be with the Lord and I still struggle. I have so many fond memories of the good times Marshall and I shared with him! God Bless 🙏

“ *Dear Marjorie, We will miss seeing Horace when we visit Conway. We know he is with God today and I am sure he is playing a perfect game of golf. I pray for comfort for you and your family, that you can lean into God during this season of grief. Horace was a good man and loved you, your children, grandchildren and great grands. He always made my kids and I feel special. I appreciate all that he did for us while we lived in Conway and I am thankful for his kindness that he showed to my family when Toby pastored at Jamestown.*
