“ I just recently found out from Mary that Bill had passed away last September. He was the best friend and colleague I ever had in the business world. A true gentleman, great sense of humor, and a highly competent professional. I always enjoyed exchanging Christmas cards with him and occasional phone calls over the years since we worked together at Kemp.##imported-begin##Paul Elliott (former colleague at C. M. “ Dear Mary, Cathy & John, I am finally able to sign on to the Guest Book! I was not able to get it up earlier in the week. I'm not sure if it was my inaptness or their error. Anyway, we were both saddened by Bill's passing, but at the same time very joyful about his "Resurrection Day". Thanks to Cathy we have been able to appreciate your final "beach party" and all that special time together. As each of you adjust to this "new phase" in your own personal journeys...especially challenging for you, Mary....may God's peace and hope prevail in your minds and hearts. In His love, Madelon & Chuck##imported-begin##Madelon Diaz##imported-end##
