“ I am absolutely speechless. I taught Ken at Carolina Forest High. He was a remarkable young man. I often went to visit him at Captain George's after he graduated. He made my class so much fun. He will always be in my heart and I will never forget what he told me at graduation. "I wouldn't have done this without your help or you pushing me. Thanks" He made my teaching that year worth it when he walked across that stage and graduated. Mrs. McKee (was Ms. Wellman)###imported-begin###Allison (Wellman) McKee###imported-end###
