“ Will: I am so sorry to hear about the death of your father. It just seems like last summer that you, Brian and I were down at his home and on the boat going down the waterway. I hope that you will always have many great memories of your times with him.

“ I have had you all in my prayers the past several days. It is so hard to lose someone so special but please rest assured that he is at peace now. He was introduced to me as "Pop", or "Wild Bill" as he would refer to himself but from the first time I met him, I felt I had known him all my life. He was a very special man and will surely be missed. May God comfort you all during this time and remember, there are no tears past the gate.##imported-begin##Vicki Johnson##imported-end##
