

William "Pete" MacKay

February 16, 1931 - June 7, 2022

William "Pete" MacKay, age 91, formerly of Pittsburgh, passed away peacefully in Pawleys Island, SC. He was the beloved son of the late Joseph F. MacKay and Muriel Aggas MacKay; brother of Joel MacKay and Jo Carole Bundy. He was preceded in death by his wife of 63 years, Ann Marie "Amy" Boe MacKay.

He is survived by his children, Linda Long, William MacKay Jr., and Tracy Slaybaugh, as well as 7 grandchildren and 3 great-grandchildren and his current wife, Mary Yurko.

Pete was a graduate of Hooker High School and Purdue University and a veteran of the Korean War. Upon returning from Korea, Pete worked for Westinghouse before making a career change into finance. He worked as an investment advisor and managing director for 43 years starting with Singer, Dean & Scribner and ending his career with Wells Fargo Advisors. Pete was an avid outdoorsman, fishing as often as possible. In addition, he also enjoyed hunting, tennis, and golf. Always passionate about playing the piano, he often provided entertainment to many and in his later years, would put on small concerts for local residents.

There was always a dog by Pete's side, so in lieu of flowers, memorial contributions may be made to The Butler County Humane Society, 1015 Evans City Road, Renfrew, PA. A private family memorial will be held at a later date.

Goldfinch Funeral Home, Beach Chapel is serving the family.

Dear Linda, Traci and Bill. It was very sad to receive the news of your father's passing. It seems fitting to use the same words now which your mother send me when my father passed away, namely 'It does not matter how old or sick they are, it is still very sad when their times come.' We were fortunate to meet Pete and Amy the first time when they stayed some days with us in Oslo, Norway many many years ago. Lillian and myself were also fortunate to stay with them some days in Butler in 2008. Egil and me (Geir) also visited Pete and Amy in Pawleys Island in 2015, most enjoyable. In 2017 and also 2018 Linda Invited Lillian and myself to celebrate the Boe's Norwegian Style Juleaften December 24th at her house in Myrtle Beach. We had interesting and very good times there meeting Pete and so many Boe relatives. In 2017 we were 22 relatives on Juleaften, whereof 11 were direct decendants from my grandmother Anna Boe, while in 2018 we were 9 direct decendants. Pete was each time in good shape and entertained us with his favorite songs while playing the piano. We will always have fond memories of Pete and my cousin Amy, and will never forget them and their hospitaliy. Lillian and Geir O. Larsson/Norway.
