“ Dear Bill..
How I have missed your laugh and your silly jokes .. always ready to give us kids a hard time..... I can see now driving your beautiful Chrysler down the lane...always with a smile ... so smart and what a great father even more a great husband... Garnet was blessed with a mate who loved her like no tomorrow and we all knew it... no doubt... She was his love his playground and his best friend.. no 2 people were better matched.. I'm so sorry I couldn't get to see you more but you went home and someday we will all be together .. family was everything to you .. and you were the captain with your first mate on your arm... Right now the memories are flooding in and no words can match the greatness of you
Love you Bill
